

IGR Consultant Ongoing deliverables will be accomplished through:

- Weekly meetings updating Superintendent
- Weekly meetings with Board President and other Commissioners as needed
- Monthly reports to Superintendent
- setting meeting appointments as needed connecting Park Staff and Commissioners to elected officials and other key community members and stakeholders
- Regular communications with state and federal lobbyists
- Ongoing work plan updates at direction of Superintendent

Ultimately, these deliverables will result in attaining the following goals:

- Assist passage of MPRB levy request by the Board of Estimate and Taxation
- Avoid of Mayoral vetoes
- Secure ongoing support at City Hall for NPP20, the 20-Year Neighborhood Park Plan
- Maintain or increase existing funding agreements with partner agencies. Examples include working with the Minneapolis Public Schools and Hennepin County
- Strengthen relationships between the MPRB and: Hennepin County, the Minneapolis Public School District, watershed district organizations, and other entities as directed
- Launch of a grassroots advocacy campaign supporting Park Board strategic goals, through legislative breakfast day on the hill and constituent lobbying
- Introduce incoming Superintendent to local elected officials and key community leaders. Additionally, provide written memos and documents helping to educate incoming Superintendent on local governance structures and key policy issues

Plan updates:

- Convene meetings between Park Board President and Superintendent with Mayor and all City Council Members to seek a common understanding of joint goals
- Meet with all Park Board Commissioners to determine policy support needs, particularly as they relate to other agencies and bodies of government
- Meet with and revise work plan timeline as needed in conjunction with Superintendent

- Work with Superintendent and Deputy Superintendent to develop a liaison role providing support to Legislative and Intergovernmental Committee
- Facilitate MPRB feedback for incorporation into the Minneapolis 2040 Comprehensive plan update
- Begin planning for comprehensive campaign for Minneapolis Youth
- Develop strategies for staff requests for special IGR projects
- Begin discussions with school district about issues related to MOU & FSCS
